

Date: November 25, 2003

MEMORANDUM FOR: Management and Organization Division
Office of the Chief Financial Officer/Chief
Administrative Officer

FROM: W/WR1 - Richard H. Douglas, Chief
Meteorological Services Division
Western Region Headquarters

SUBJECT: Certification of 10-517W Western Region Hazardous
Weather Outlooks, Dated January 31, 2003

The Western Region Meteorological Services Division reviewed National Weather Service Supplement 10-517W Western Region Hazardous Weather Outlooks, Dated January 31, 2003 and certifies it is current and requires no updating during its FY 2004 annual review cycle.
